NARRATIVE

On 5/7/2015 at approximately 0703 hours, Unit 1 was travelling westbound on SR 204 following behind Unit 2. Traffic was heavy and moving slowly. Unit 1 moved to the right of Unit 2 and struck the rear/right side of Unit 2. The driver of Unit 3 stopped and stated that Unit 1 had also rear ended his vehicle just prior to its collision with Unit 2, but that Unit 1 did not stop. There was no visible damage to Unit 3.

No injuries were reported. Both Unit 2 and Unit 3 were able to be driven from the scene. Unit 1 was towed from the scene due to the driver being DWLS/R.

**OfficerID: SS0120, Narrative**

On 5/7/2015 at approximately 0703 hours, I responded to a report of a collision at the 8000 blk of SR 204 in the City of Lake Stevens. I contacted the involved parties who stated that the driver of the Green Mercedes-Benz bearing Washington ATC3804 was the at fault driver. The vehicle driver, a white adult female with blue eyes and dyed blond hair was seated in the driver's seat of the vehicle with the engine running when I contacted her. I asked for her driver's license, registration and insurance. She told me that she didn't have the registration and insurance because the glove box was broken. I asked if she was the registered owner of the vehicle and she told me that vehicle belonged to her ex-husband Tony Williams. It was later discovered that the vehicle belonged to her brother in-law. When I asked for her driver's license she claimed it was stolen and provided me with the name Carrie J. Dorsey DOB:5/8/1966 then quickly changed the year to 1986. I asked her if she had a valid driver's license and she told me yes.

No DOL record could be found with the information she provided. I asked her again what her name was and she told me it was Carrie "Marie" Dorsey and her DOL was 5/8/1977. I asked her again if she had a driver's license and what state it was issued out of. She told me again that she had a driver's license, it was issued out of Washington State and the name on the driver's license is Carrie Marie Dorsey. After that didn't work, she insisted that was her name but that she had a twin sister named Kimberly Sommersness. She was given numerous opportunities to provide her actual name and DOB. A DOL record was located for a Carrie Ann Dorsey DOB 5/8/1973. I asked the driver who Carrie Ann was and she stated that it was her and that she changed her name from Marie to Ann when she got married.

A records check of Carrie Ann Dorsey 5/8/1973 showed a DOL photo of an older woman with brown eyes instead of blue. I again asked the driver who she was since Dorsey has blue eyes. The driver stated that her eyes had naturally changed color. She then stated she was 41 years old. When confronted that she could not be born in 1977 and be 41 years old she changed her date of birth to 1973.

I placed the driver under arrest for criminal impersonation for impersonating Carrie Ann Dorsey (5/8/1973) during a police investigation that would have led to adverse action being taken against Dorsey as a result of the collision investigation.

A tow truck was called to tow the vehicle from the scene. A pre tow inventory was conducted on the vehicle. When the passenger door was opened a document was observed folded in the glove box area. I unfolded the paper to see if it was the vehicle insurance or registration document. It was court paperwork belonging to name Jessica J. Wynn. A records check of Wynn showed her to be Jessica J. Wynn DOB:1/10/1984. A DOL photo was located and confirmed that the female driver I had in custody was in fact Wynn.

A wallet containing Wynn's identification was located as well. With the driver's license was a current concealed pistol license. Officer Wells' completed an inventory of the car and frisked the vehicle to ensure there was no weapon concealed within in prior to it departing for the tow yard. A back pack containing what appeared to be high dollar valued items such as a lap top computer and other electronic items. The full backpack was taken into custody and booked into the Lake Stevens Police Department property room for safe keeping.

Wynn stated that Dorsey was her cousin and had given her permission to use her identity information. Dorsey was contacted and asked to come to the scene. After about ½ an hour, I attempted to contact her again but her phone went straight to voicemail. I observed there was a new text message on Wynn's phone. I asked Wynn if I could check the message to see if Dorsey was lost or still on her way. Wynn said I could. The message from Dorsey stated "I told you not to use my name". Dorsey could not be reached for additional information at that time.

Prior to transport Wynn was placed in handcuffs and seated in the rear of my patrol car. She slipped off one of her handcuffs. She was removed from the vehicle and re cuffed. Wynn was transported to the Snohomish County Jail without additional incident. She was booked on charges of Criminal Impersonation 1', Obstructing a law enforcement officer, and DWLS/R 3'.

At approximately 1600 hours, I contacted Dorsey via phone. She informed me that Wynn had called her and told her that she needed Dorsey's birth date so that the police could release the car to Dorsey. Dorsey gave her the information but stated that when she received additional requests from Wynn she became suspicious and stopped responding to her. Dorsey stated that at no time did she give Wynn permission to impersonate her or use her identity.

No DOL record could be found with the information she provided. I asked her again what her name was and she told me it was Carrie "Marie" Dorsey and her DOL was 5/8/1977. I asked her again if she had a driver's license and what state it was issued out of. She told me again that she had a driver's license, it was issued out of Washington State and the name on the driver's license is Carrie Marie Dorsey. After that didn't work, she insisted that was her name but that she had a twin sister named Kimberly Sommerness. She was given numerous opportunities to provide her actual name and DOB. A DOL record was located for a Carrie Ann Dorsey DOB 5/8/1973. I asked the driver who Carrie Ann was and she stated that it was her and that she changed her name from Marie to Ann when she got married.

A records check of Carrie Ann Dorsey 5/8/1973 showed a DOL photo of an older woman with brown eyes instead of blue. I again asked the driver who she was since Dorsey has blue eyes. The driver stated that her eyes had naturally changed color. She then stated she was 41 years old. When confronted that she could not be born in 1977 and be 41 years old she changed her date of birth to 1973.

I placed the driver under arrest for criminal impersonation for impersonating Carrie Ann Dorsey (5/8/1973) during a police investigation that would have led to adverse action being taken against Dorsey as a result of the collision investigation.

A tow truck was called to tow the vehicle from the scene. A pre tow inventory was conducted on the vehicle. When the passenger door was opened a document was observed folded in the glove box area. I unfolded the paper to see if it was the vehicle insurance or registration document. It was court paperwork belonging to name Jessica J. Wynn. A records check of Wynn showed her to be Jessica J. Wynn DOB:1/10/1984. A DOL photo was located and confirmed that the female driver I had in custody was in fact Wynn.

A wallet containing Wynn's identification was located as well. With the driver's license was a current concealed pistol license. Officer Wells' completed an inventory of the car and frisked the vehicle to ensure there was no weapon concealed within in prior to it departing for the tow yard. A back pack containing what appeared to be high dollar valued items such as a lap top computer and other electronic items. The full backpack was taken into custody and booked into the Lake Stevens Police Department property room for safe keeping.

Wynn stated that Dorsey was her cousin and had given her permission to use her identity information. Dorsey was contacted and asked to come to the scene. After about ½ an hour, I attempted to contact her again but her phone went straight to voicemail. I observed there was a new text message on Wynn's phone. I asked Wynn if I could check the message to see if Dorsey was lost or still on her way. Wynn said I could. The message from Dorsey stated "I told you not

to use my name". Dorsey could not be reached for additional information at that time.

Prior to transport Wynn was placed in handcuffs and seated in the rear of my patrol car. She slipped off one of her handcuffs. She was removed from the vehicle and re cuffed. Wynn was transported to the Snohomish County Jail without additional incident. She was booked on charges of Criminal Impersonation 1', Obstructing a law enforcement officer, and DWLS/R 3'.

At approximately 1600 hours, I contacted Dorsey via phone. She informed me that Wynn had called her and told her that she needed Dorsey's birth date so that the police could release the car to Dorsey. Dorsey gave her the information but stated that when she received additional requests from Wynn she became suspicious and stopped responding to her. Dorsey stated that at no time did she give Wynn permission to impersonate her or use her identity.

AB71 Shortly after entering westbound SR 204 from 81<sup>ST</sup>, a Mercedes behind me bumped my rear end 4-5 times. Traffic was stop + go. Seemed like small taps, so I stayed in my vehicle. Then, the Mercedes attempted to pass me on the right and hit the right rear of my vehicle, causing damage. We pulled off 204. Mercedes driver said she was trying to pass me on the right. She said she had no license or insurance card in her possession, and asked to just give me her name + number, then settle things later. I said no and called 911. She said she was tired from working two jobs and apologized repeatedly.
